- In case of ties in all Tournaments, contestants may split prize money or determine winning position by flip of coin.
- Fishing is not allowed within 50 yards of another competitor's boat which was first anchored. A boat is considered anchored only if it is tied to an object or has an anchor rope over its side with trolling motor out of water. Power poles are considered an anchor.
- Contestants must leave and return to official check point by boat. In the event of equipment failure or emergency, there shall be two permitted methods of returning to the check-in. (1) By both partners remaining in their boat and being towed by water or (2) By one partner entering the boat of another Salmoides Tournament contestant with the days catch. Teams fish must be kept separate.
- Any participant cited during Tournament hours for a violation of state, marine or fishing laws will be disqualified.
